

AMENDMENT NO. 4
to Specifications and Proposal Forms
for the
Department of Social Services, Division of Family Services
Department of Health and Senior Services
Bowling Green (Pike County), Missouri
RFP No. 08201307

As a result of Executive Order #01-22 issued by Governor Holden which directs "State buildings and facilities, whether state-owned or lease, shall be located in central downtown or revitalization districts in urban cores, suburbs, cities, towns and rural communities throughout the state when consistent with public service requirements and with historic preservation efforts and when economically prudent", Division of Facilities Management is soliciting new proposals from all bidders who originally submitted a proposal for the above referenced RFP.

Requested Information from Bidders attending Prebid Conference:

Questions were asked during the recent Prebid Conference "if the City of Bowling Green had either historic buildings or a central business district"? DFM staff said they would get the information out to all bidders once we found the information.

The City of Bowling Green has both historic buildings and a central business district. For information about either please contact Bowling Green Chamber of Commerce, Shelly Wasson. Her phone number is 573-324-6161.

All Proposals must be received no later than 1:30 p.m. on Wednesday April 3, 2002.

All other terms and conditions of the original RFP shall remain the same.
